

MAKE A CONFETTI BLASTER!

It's not a parade without confetti! Make your own confetti blaster for some at-home parade fun.

Materials:

Cardboard tube cut to 4-inches in length
Crayons/colored pencils
9-inch balloon (deflated)
Paper scraps for confetti
Tape
Scissors
Broom and dustpan*

Directions:

1. Color and cut the blaster cover below.
2. Fit the cover around the cardboard tube. Secure with tape.
3. Cut a deflated balloon about 3-inches from the bottom.
4. Tie a knot at the end of the balloon.
5. Insert the tube into the balloon. Tape the top to secure.
6. Place small bits of paper confetti into the tube.
7. Shout "EVERYONE LOVES A PARADE!"
8. Pull back on the balloon and watch the confetti fly.

*Clean up.
